SUMMARY

I am an Informatics Engineering student driven by a passion for technology, structured problem-solving, and meaningful public impact. I combine a strong technical foundation with a strategic mindset to build solutions that bridge the gap between complex technology and human-centered design.

EXPERIENCE

Worship & Prayer Coordinator 2026 - Present
Ikatan Remaja Teladan GMIM Rayon 1 Minahasa ↗
Managed monthly service schedules, coordinated with guest speakers and partner ministries, and allocated program resources to support the spiritual growth of all members.

President | Ikatan Tuama Wewene 2025 - 2026
SMA Negeri 3 Tondano ↗

- Strategic Leadership & Internal Governance:* Formulated the organization's strategic vision, mission, and annual work programs, while delegating responsibilities, fostering cohesion among executive members and alumni, and continuously evaluating overall organizational performance throughout the tenure.
- Executive Event Direction & Management:* Spearheaded the strategy, supervision, and execution of the annual ambassador selection process ensuring an objective, professional, and seamless operation.

Guest Speaker on Organization & Leadership 02/2026
2026 Selection of Tuama Wewene – SMA Negeri 3 Tondano ↗

- Delivered an interactive presentation on strategic leadership, team dynamics, and effective organizational management.
- Facilitated practical discussions and problem-solving scenarios to equip participants with actionable conflict resolution and communication skills.

Interview Panelist 11/2025
2026 Selection of Tuama Wewene – SMA Negeri 3 Tondano ↗

- Evaluated and assessed candidates' communication skills, leadership potential, and cultural knowledge through structured interview sessions.
- Collaborated with a panel of judges to review background profiles, scored performance objectively, and selected final candidates based on established criteria.
